City Manager: Brent Trout

Addressing the Governing Body: No person shall address the Governing Body during a Governing Body Meeting, unless they have notified the City Clerk at (785)368-3940 or by email at [cclerk@topeka.org](mailto:cclerk@topeka.org) by 5:00 P.M. on the day of any Governing Body Meeting or sign up to speak at the meeting by 6:00 P.M. This limitation shall not apply to items added during the course of a meeting. The Governing Body does not take action with respect to any subject not on the agenda unless added to the agenda by a two-thirds vote of the Governing Body.

Persons addressing the Governing Body will be limited to four (4) consecutive minutes on a particular agenda item. Debate, question/answer dialogue or discussion between Governing Body members will not be counted towards the four (4) minute time limitation. The Chair may extend time with the unanimous consent of the Governing Body or by an affirmative vote of seven (7) Governing Body members may extend the four (4) minute limitation. The requirement to notify the City Clerk will not apply towards public hearings required by State and Federal law.

To make arrangements for special accommodations please call 785-368-3940. A 48-hour advance notice is preferred.

The Federal Communications Commission (FCC) has adopted use of the 711 dialing code for access to Telecommunications Relay Services (TRS). TRS permits persons with a hearing or speech disability to use the telephone system via a text telephone (TTY) or other device to call persons with or without such disabilities. To reach the City Clerk's office using the TRS, please dial 711.

(Agendas are available on Thursday afternoon in the City Clerk's office, 215 SE 7th -Room 166 and on the City's web site at <https://www.topeka.org>)

**DOCUMENT DESCRIPTION:**

**ADVISORY COUNCIL APPOINTMENT of Jeffrey Williams to the City of Topeka Americans with Disabilities Act (ADA) Advisory Council for a term ending July 31, 2022. (Council District No. 1)**

**VOTING REQUIREMENTS:**

At least five (5) votes of the City Council is required. Mayor does not vote.

**POLICY ISSUE:**

The ADA council seeks to enhance the community by the contributions of persons with disabilities; to make a positive difference in their relationship with the community by working toward providing full access to facilities, programs, services and activities.

**STAFF RECOMMENDATION:**

Councilmember Hiller nominates and Mayor De La Isla recommends the reappointment of Jeffrey Williams to the City of Topeka ADA Advisory Council for a two-year term ending July 31, 2022. This position requires that at least six appointees be individuals with a disability of one of the major six life functions. Mr. Hubbard will represent the council as a general advocate.

**BACKGROUND:**

The mission of the Topeka ADA Advisory Council is to support the civil rights of and full integration into Topeka community life for all people with disabilities. The ADA Council will be comprised of 10 members. At least six of the members must be individuals with disabilities, representing the six major life functions as much as possible. Members will serve a two-year term and shall not be eligible to serve more than four consecutive terms pursuant to Topeka Municipal Code Section 2.80.010.

**BUDGETARY IMPACT:**

There is no budgetary impact to the City.

August 8, 2018

Mr. Jeffrey Williams  
1122 SW Jackson Ave, Apt. 702  
Topeka, KS 66612

Dear Jeffrey,

I am pleased to appoint you to serve as a member of the Topeka Americans with Disabilities Act Advisory Board. You have been appointed to fill a two year term ending August 8, 2020.

It is through the efforts of citizens such as yourself who give of your personal time that our city will continue to provide the quality of life we all desire.

Thank you again for your commitment to our community and your willingness to serve.

Sincerely,

Michelle De La Isla  
Mayor

## Professional Profile

Twenty-five years of direct experience with electronics, computer hardware, software and all related support, and Microsoft networking involving all Microsoft operating systems ranging from DOS 3.0 up to and including Windows Ten Professional and Windows 2008 Server. Solid laptop and desktop support, training, and network administration experience involving LAN, MAN, and WAN topologies for up to 2,000 worldwide computer users. Modest experience with main Linux distributions as well.

- Microsoft network administration
- Desktop support
- Laptop support
- Server support
- Excellent customer service and communication skills
- Large scale PC plus laptop imaging, cloning, training, and deployment
- Help Desk supervision
- Help Desk design and implementation
- Help Desk technical training
- Documentation and computer user training
- Strong PC Coordinator experience and liaison skills with a focus on customer service
- Corporate project management experience

## Professional Experience

### Auburn Washburn USD 437 PC Technician

#### Achievements:

- Successful rollout of 500 laptops to WRHS high school and 6 elementary schools
- Promoted Help Desk usage by USD 437 staff, which increased usage by more than forty percent in three months
- Developed synergy and effective communication between Tech Instructors at each school and the IT Department, resulting in forward progress in District IT goals

#### Responsibilities:

- Single support contact for all six USD 437 elementary schools
- Provide repair and expertise for end user hardware with a strong emphasis on laptops
- Single support tech at WRHS for 2,000 students and 200 staff for two years

### Kansas Highway Patrol Technology Support Consultant

#### Achievements:

- Streamlined the KHP Help Desk to better suit current needs and priorities
- Implemented the use of flash disks to allow KHP Troopers more mobility and better data access on the job
- Designed and successfully implemented a quarterly Windows update CD to distribute Windows updates and new patches to over a hundred remote standalone locations

#### Responsibilities:

- Primary Help Desk analyst responsible for providing support and call resolution to General Headquarters Executive Staff and KHP Troopers across the state of Kansas
  - Provide repair and purchasing expertise for all IT related hardware with an emphasis on laptops
  - Maintain the WSUS server to ensure that all Windows updates are applied on time
-

Payless Shoesource, Topeka, KS  
**Network Systems Analyst Level A**

Achievements:

- Design and successful implementation of the Payless Shoesource corporate Help Desk system from the ground up
- 1.3 million dollar District Manager laptop project deploying 250 laptops with a final project cost savings of \$40,000 and zero failures
- Windows 2000 upgrade project for 1,200 local and remote systems with a final cost savings of more than \$50,000 and zero failures

Responsibilities:

- Support 1,500 computer users on a Win9X, NT, 2000, and XP network involving LAN, MAN, and WAN sites
- Continual corporate Help Desk operation, optimization, and supervision
- Search for new practices and procedures to minimize downtime and increase productivity
- Weekly management project meetings to discuss company needs and direction
- Evaluate Help Desk training and end user needs to identify areas of improvement

Associated Press Broadcast Services, Washington, DC  
**Software Support Specialist**

Achievements:

- Designed and implemented an improved software installation method
- Modified existing teleprompter controller hardware which is still being used to this day
- Completed 30 successful television station installations and training, setting a new customer service standard operating procedure

Responsibilities:

- Support AP NewsCenter member radio and television stations through a 24/7/365 worldwide emergency support hotline
- Perform solo NewsCenter installations across the US being responsible for entire scope of installation, training, and on air success
- Conduct customer service follow-ups with member stations to ensure complete satisfaction and proper operation
- Build teleprompter controllers to support current and future inventory needs

**DOCUMENT DESCRIPTION:**

**BOARD APPOINTMENT** recommending the reappointment of Larry Robbins to the Topeka Public Building Commission for a term ending July 31, 2024.

**VOTING REQUIREMENTS:**

At least five (5) votes of the City Council is required. Mayor does not vote.

**POLICY ISSUE:**

Not applicable.

**STAFF RECOMMENDATION:**

Mayor De La Isla is recommending the reappointment of Larry Robbins for a term that would end July 31, 2024. Mr. Robbins represents the USD 501 nomination.

**BACKGROUND:**

KSA 12-1757. This is a statutory board wherein the Mayor recommends and the Council has final approval. The Topeka Public Building Commission was created pursuant to KSA 12-1757 et seq., and shall have the powers granted according to the provisions of the statute, not inconsistent with the provisions contained within the Topeka City Code. The Commission is to be comprised of members nominated from USD 501, the Kansas Secretary of Administration, the Shawnee County Commissioners as well as four members nominated by the Mayor; only the nominees from the Mayor require residency within the city limits.

**BUDGETARY IMPACT:**

There is no budgetary impact to the City.

**DOCUMENT DESCRIPTION:**

**BOARD APPOINTMENT** recommending the reappointment of Clyde Schwanke to the Topeka Sustainability Advisory Board for a term ending July 31, 2022. (Council District No. 8)

**VOTING REQUIREMENTS:**

At least five (5) votes of the City Council is required. Mayor does not vote.

**POLICY ISSUE:**

The Topeka Sustainability Advisory Board promotes environmental awareness and advocates for policies that support sustainability specifically including, but not limited to, environmental awareness, waste reduction, recycling, energy conservation and natural resource conservation in the City of Topeka, and to enhance the quality of life by improving the City's efforts in these areas.

**STAFF RECOMMENDATION:**

Councilmember Duncan nominates and Mayor De La Isla recommends the reappointment of Clyde Schwanke to the Topeka Sustainability Advisory Board for a term ending July 31, 2022. This position will be an Environmental/Conservation Qualified Position.

**BACKGROUND:**

In accordance with City Code 2.95.020, the Sustainability Advisory Board shall consist of nine members and be residents of the City of Topeka. After the initial appointment of the board, all members shall serve two (2) year terms unless appointed to fill out an unexpired term. At least five (5) of the nine (9) board members shall be currently licensed, have a degree in, be engaged in, or have substantial past experience in the fields of environmental awareness, waste reduction, recycling, energy conservation and/or natural resource conservation

or a similar field relating to the environment or conservation.

**BUDGETARY IMPACT:**

There is no budgetary impact to the City.

---

## Interests & Experiences

Please describe your education, experience and expertise including any honors or awards, civic, cultural, charitable or professional organization memberships that relate to the position you are seeking.

---

Although I don't have a post-secondary degree, I have wide and varied life experiences related to sustainability. While living in Big Springs, I was a charter member and on the board of directors of RWD 3 with two water treatment plants supplying water between Topeka and Lawrence. I also was secretary/treasurer for the Big Springs Community Center. I helped design and construct energy efficient underground and earth berm houses for myself and family members. My family has driven electric and hybrid vehicles for about 17 years. I'm a member of the Mid America Electric Automobile Association, maeaa.org, which has promoted the popularity of electric vehicles and charging stations in Kansas City. I've participated and presented Alternative Energy vehicle displays at events in Kansas City and Lawrence, as well as at the Mother Earth News Fairs in Topeka. Our home is powered by a ground mount solar panel installation in our backyard. Our property includes a National Wildlife Federation Certified Wildlife Habitat with an emphasis on native plantings. As a landlord I am concerned that landlords hold responsibility for providing energy efficient properties for their tenants.

**If yes, please explain:**

**Please state why you are interested in serving on this board or commission:**

The past two summers, I have worked with people from the Walton Sustainability Solution Initiatives Team from Arizona State University to learn how to teach sustainability in my classroom. Through these experiences, I have learned how I individually can practice sustainability and help my students learn the importance of taking care of our resources. After seeing the initiatives that the city of Phoenix is conducting to reduce waste, I would like to help the city of Topeka take steps to become more sustainable and mindful of our surroundings and resources.

## EXPERIENCE

### **Auburn-Washburn USD 437, Topeka, KS — B3 Alternative Program Science Teacher**

August 2015 - PRESENT

- Plan, prepare, and deliver instructional activities that facilitate active learning experiences for approximately 70 students.
- Establish and communicate clear objectives for all learning activities.
- Perform certain pastoral duties including student support, counseling students with academic and personal problems and providing student encouragement
- Use relevant technology to support instruction
- Assign and grade class work, assignments, and tests

### **Mission Valley USD 330, Eskridge, KS — Life Science Teacher**

August 2012 - May 2015

- Identify and select different instructional resources and methods to meet students' varying needs for approximately 80 students
- Communicate necessary information regularly to students, colleagues, and parents
- Prepare required reports for support staff and parents
- Provide appropriate and timely feedback on student work
- Participate in school and parent meetings
- Assign and grade class work, assignments, homework, and tests
- Assist with extracurricular activities

## EDUCATION

### **Washburn University, Topeka, KS — Bachelor of Arts in Biology with an Emphasis in Secondary Education**

August 2006 - May 2012

### **Baker University, Topeka, KS — Master of Arts in Education**

June 2013 - August 2015

## SKILLS

Strong work ethic

Self motivated

Ability to inspire, comfort, and build self-esteem

Excellent communication skills

Attention to detail

Problem solving and decision making

Ability to listen to children and parents

Flexibility and adaptability

Stress and time management ability

## AWARDS

Science in our Food Supply Program Completer

United States Patent and Trademark Office Program Completer

Arizona State National Sustainability Teacher's Academy

## PROJECTS

### **Arizona State National Sustainability Teacher's Academy Project**

After completing the program a colleague and I designed and implemented a recycling initiative, in which students are in charge of collecting recycled products in the classrooms. Students then collect data on the items collected and this information is used in the Mathematics class.

### **Science in our Food Supply Presentation**

Upon completion of the program, I presented the teacher training at our district professional development day. This was open to both elementary and secondary teachers.

**DOCUMENT DESCRIPTION:**

**RESOLUTION** introduced by Councilmember Spencer Duncan, granting Christ the King Catholic Church an exception to the provisions of City of Topeka Code Section 9.45.150, et seq., concerning noise prohibitions. *(Council District No. 8)*

*(Approval would allow for outdoor amplified music and sound during the hours of 4:30 p.m. and 10:00 p.m., at 5973 SW 25th Street on September 26, 2020.)*

**VOTING REQUIREMENTS:**

At least six (6) votes of the Governing Body is required.

**POLICY ISSUE:**

City of Topeka Code Section 9.45.170, et seq., authorizes the City Council to grant noise exceptions. Approval grants a noise exception to Christ the King Catholic Church for their Rome Sweet Rome Festival on September 26, 2020.

**STAFF RECOMMENDATION:**

Staff recommends the Governing Body move to approve the resolution.

**BACKGROUND:**

Christ the King Catholic Church is requesting the noise exception due to amplified music/sound at the event.

**BUDGETARY IMPACT:**

There is no budgetary impact to the City.

To Whom It May Concern:

I would like to speak during the public comment section of the City Council meeting on September 1, 2020. I would also like the Councilpersons to have a copy of both of the attachments. Since they will all not be in attendance due to the Coronavirus issue, can I send those to them directly, or will you do that? Thank you for your assistance.

Respectfully,

Bruce A. Pfeiffer  
3425 NW Fredith Rd.  
Topeka, Kansas 66618

Dear Madam Mayor and City Councilpersons,

During the August 19, 2020 City Council meeting, the following amendments to the 2018 Uniform Plumbing Code were submitted and approved by the Council. I believe that these amendments are in conflict with the following City Ordinances and that they should be rescinded.

(c) Any contractor licensed by the city, including a plumbing contractor, may install or repair any sewer line servicing an industrial or commercial development project that has been designed by a licensed engineer. The contractor shall ensure that all connection and service lines are tested up to the cap outside each building.

(c) Any contractor licensed by the city, including plumbing contractor, may install or repair a water main, city water service line, or customer water line serving an industrial or commercial development project that has been designed by a licensed engineer. The contractor shall ensure that all connection and service lines are tested up to the cap outside each building.

The wording “any contractor licensed by the city” would include contractors licensed in the fields of excavation, elevator repair or construction, concrete work, demolition, swimming pool construction, roofing, fire alarm installation, fire sprinkler installation, water softener/conditioner installation and repair, lawn irrigation installation, mechanical, electrical or plumbing as prescribed in City Ordinance 5.63.030<sup>1</sup>. This ordinance also states that it is unlawful for a person to conduct, carry on or engage in the listed trades “without first obtaining the appropriate contractor’s license”. Plumbing as defined in the Uniform Plumbing Code (UPC) is “the business, trade, or work having to do with the installation, removal, alteration, or repair of plumbing systems or parts thereof”. The only contractor meeting those guidelines is a plumbing contractor.

Per Section 101.2<sup>2</sup> of the 2018 UPC, the provisions of the plumbing code adopted by the City of Topeka applies to the installation and repair of plumbing systems<sup>3</sup>. Plumbing systems include the installation of building water supplies<sup>4</sup> and building sewers<sup>5</sup> (both sanitary and storm) “within the property lines of the premises”. The Uniform Plumbing Code includes installation guidelines for all plumbing installations, including residential, commercial and industrial. Plumbing contractors are required to abide by these regulations, while excavation contractors are not bound by the same restrictions.

The language in the ordinance states that the project has to be “designed by a licensed engineer”. All major construction projects are required by the Uniform Plumbing Code and the City of Topeka to be designed by duly licensed engineers and architects as well as be approved by the Authority Having Jurisdiction (City of Topeka). The construction documents are required to be

drawn to Code and local amendments<sup>6</sup>, be approved by the City<sup>7</sup>, and meet or exceed the requirements found in the adopted Code and pertinent City Ordinances<sup>8</sup>.

The ordinances do not indicate what types of material may be used for the installation of commercial or industrial building water supplies or building sewers in the ordinance. Per 2018 UPC, Table 604.1 only materials adopted by the jurisdiction and meeting applicable standards may be used. Likewise only materials found in Table 701.2 are allowed for the installation of building sanitary and storm sewers. The lack of clarification concerning materials in the ordinance, permits the installer to use materials that may not be tested to applicable standards or listed by an approved testing agency.

The ordinances do not require permits<sup>9</sup> or inspections<sup>10</sup> by either the City Development Services Department or the City Engineering Department. It is the responsibility of the Authority Having Jurisdiction to insure the provisions of the Uniform Plumbing Code and Ordinances are adhered to thereby providing for the “protection of public health, safety and welfare” as prescribed in Section 101.3 of the 2018 UPC.

The proponent of these amendments indicated to me in an e-mail that multiple developers told him that “Topeka is a terrible place to build”. It is easy to make unsubstantiated claims by unknown sources. He implied that other jurisdictions do not require such unreasonable demands of developers and contractors. Attached to this document, you will find a chart showing various jurisdictions and their requirements for the installation of private sanitary and storm sewers and water services for commercial and industrial building sites. I contend that is the responsibility of the developer and the contractors to know what a jurisdiction’s codes and ordinances are and make every attempt to comply with those rules and regulations. Every developer and contractor has a right to an equal playing field, regardless of company size or financial wherewithal.

These ordinances create a double standard. They allow “any contractor” to install plumbing work regardless of material and installation requirements, while demanding plumbing contractors to adhere to a set of codes and ordinances. It allows unlicensed individuals to install plumbing while requiring plumbing contractors and their employees to be licensed and to obtain yearly CEUs to maintain those licenses. They allow “any contractor” to do plumbing work without permits or inspections, while requiring plumbing contractors to obtain permits, comply with applicable codes and submit to jurisdictional inspections. It gives blanket approval to “licensed engineers” for sizing, types of materials and installation requirements for commercial and industrial sewers and water services, regardless of compliance with the adopted City codes and ordinances and without City approval.

In conclusion, I am asking the City Council to consider rescinding these ordinances and reverting to the original adopted 2018 Uniform Plumbing Code and associated ordinances reviewed by the City of Topeka Plumbing Appeals Board and City Attorney’s office.

Respectfully,

**1. City Ordinance 5.63.030**

*It shall be unlawful for any person to conduct, carry on or engage in the business of commercial or residential construction or remodeling, excavation, elevator repair or construction, concrete work, demolition, swimming pool construction, roofing, fire alarm installation, fire sprinkler installation, water softener/conditioner, lawn irrigation system installation or mechanical, electrical or plumbing trades, without first obtaining the appropriate contractor's license. (Ord. 19330 § 22, 11-3-09. Code 1995 § 30-522.)*

**2. 2018 UPC, Section 101.2 Scope.**

*The provisions of this code shall apply to the erection, installation, alteration, repair, relocation, replacement, addition to, use, or maintenance of plumbing systems within this jurisdiction.*

**3. 2018 UPC, Section 218.0 Plumbing System.** *Includes all potable water, alternate water sources, building supply, and distribution pipes; all plumbing fixtures and traps; all drainage and vent pipes; and all building drains and building sewers, including their respective joints and connections, devices, receptors, and appurtenances within the property lines of the premises and shall include potable water piping, potable water treating or using equipment, medical gas and vacuum systems, liquid and fuel gas piping, and water heaters and vents for same.*

**4. 2018 UPC, Section 204.0 Building Supply.** *The pipe is carrying potable water from the water meter or another source of water supply to a building or other point of use or distribution on the lot.*

**5. 2018 UPC, Section 204.0 Building Sewer.** *That part of the horizontal piping of a drainage system that extends from the end of the building drain and that receives the discharge of the building drain and conveys it to a public sewer, private sewer, private sewage disposal system, or another point of disposal.*

**Building Sewer (Combined).** *A building sewer that conveys both sewage and storm water or other drainage.*

**Building Sewer (Sanitary).** *A building sewer that conveys sewage only.*

**Building Sewer (Storm).** *A building sewer that conveys storm water or another drainage, but no sewage.*

**6. 2018 UPC, Section 104.3.1 Construction Documents.** *Construction documents, engineering calculations, diagrams, and other data shall be submitted in two or more sets with each application for a permit. The construction documents, computations, and specifications shall be prepared by, and the plumbing designed by, a registered design professional. Construction documents shall be drawn to scale with clarity to identify that the intended work to be performed is in accordance with the code.*

**6. 2018 UPC, Section 104.4.2 Validity of Permit.** *The issuance of a permit or approval of construction documents shall not be construed to be a permit for, or an approval of, a violation of the provisions of this code or other ordinance of the jurisdiction. No permit presuming to give authority to violate or cancel the provisions of this code shall be valid. The issuance of a permit based upon plans, specifications, or other data shall not prevent the Authority Having Jurisdiction from thereafter requiring the correction of errors in said plans, specifications, and other data or from preventing building operations being carried on thereunder where in violation of this code or of other ordinances of this jurisdiction.*

**7. 2018 UPC, Section 104.4.1 Approved Plans or Construction Documents.** *Where the Authority Having Jurisdiction issues the permit where plans are required, the Authority Having Jurisdiction shall endorse in writing or stamp the construction documents "APPROVED." Such approved construction documents shall not be changed, modified, or altered without authorization from the Authority Having Jurisdiction, and the work shall be done in accordance with approved plans.*

**8. 2018 UPC, Section 301.3 Alternate Materials and Methods of Construction Equivalency.** Nothing in this code is intended to prevent the use of systems, methods, or devices of equivalent or superior quality, strength, fire resistance, effectiveness, durability, and safety over those prescribed by this code. Technical documentation shall be submitted to the Authority Having Jurisdiction to demonstrate equivalency prior to installation. The Authority Having Jurisdiction shall have the authority to approve or disapprove the system, method, or device for the intended purpose. However, the exercise of this discretionary approval by the Authority Having Jurisdiction shall have no effect beyond the jurisdictional boundaries of said Authority Having Jurisdiction. An alternate material or method of construction so approved shall not be considered as in accordance with the requirements, intent, or both of this code for a purpose other than that granted by the Authority Having Jurisdiction where the submitted data does not prove equivalency.

**2018 UPC, Section 301.5 Alternative Engineered Design.** An alternative engineered design shall comply with the intent of the provisions of this code and shall provide an equivalent level of quality, strength, effectiveness, fire resistance, durability, and safety. Material, equipment, or components shall be designed and installed in accordance with the manufacturer's installation instructions.

**9. 2018 UPC, 104.1 Permits Required.** It shall be unlawful for a person, firm, or corporation to make an installation, alteration, repair, replacement, or remodel a plumbing system regulated by this code except as permitted in Section 104.2 (exempt work for clearing drain stoppages and minor repairs), or to cause the same to be done without first obtaining a separate plumbing permit for each separate building or structure.

**10. 2018 UPC, Section 105.1 Inspections General.** Plumbing systems for which a permit is required by this code shall be inspected by the Authority Having Jurisdiction. No plumbing system or portion thereof shall be covered, concealed, or put into use until inspected and approved as prescribed in this code. Neither the Authority Having Jurisdiction nor the jurisdiction shall be liable for expense entailed in the removal or replacement of material required to permit inspection. Plumbing systems regulated by this code shall not be connected to the water, the energy fuel supply, or the sewer system until authorized by the Authority Having Jurisdiction.

**11. Section 103.1 (City Ordinance) Duties and Powers of the Authority Having Jurisdiction.** The Authority Having Jurisdiction (AHJ) shall be the Authority duly appointed to enforce this code. The AHJ shall have the power to render interpretations of this Code and to adopt and enforce rules and regulations supplemental to this Code as deemed necessary in order to clarify the application of the provisions of this Code. Such interpretations, rules and regulations shall comply with the intent of this Code. In accordance with the prescribed and with the approval of the appointing authority, the AHJ shall be permitted to appoint such number of technical officers, inspectors and other employees as shall be authorized from time to time. The AHJ shall be permitted to deputize such inspectors or employees as necessary to carry out the functions of the code enforcement agency.

**Question:** Does your city require a plumbing contractor's license, a permit and an inspection for commercial and industrial sanitary and storm sewers and domestic water services located on private property?

| City                  | Population | Plumbing Permit Required | Plumbing License Required | Inspection Required | Notes                                                                                                                                      |

**Subject:** RE: City Council Meeting 9-1-2020

Mr. Pfeiffer,

With everything else going on, I just read your attached letter. I am sorry for the confusion, but the amendments you are referencing are NOT what we passed. Like you, I thought the language should be more specific, so what we passed was "Any contractor licensed to install city utilities, including a plumbing contractor, may install or repair any sewer line servicing an industrial or commercial development project that has been designed by a licensed engineer. The contractor shall ensure that all connection and service lines are tested up to the cap outside each building."

The waterline was the same, except for saying water instead of sewer.

Also, to clear up any misconceptions, I asked for the "designed by a licensed engineer" to be included in the language because I only wanted this to apply in situations where an engineer has designed the piping system. This will forestall any worries about types of materials and etc. as the engineers know what types of materials are acceptable within the City of Topeka.

Hope this helps.

Thanks,

**Tony Emerson**

District 4 Councilman  
Topeka City Council

To Whom It May Concern:

I would like to speak during the public comment section of the City Council meeting on September 1, 2020. I would also like the Councilpersons to have a copy of both of the attachments. Since they will all not be in attendance due to the Coronavirus issue, can I send those to them directly, or will you do that? Thank you for your assistance.

Respectfully,

Bruce Pfeiffer
